**Conceptual Plan
2007**

The image shows a conceptual plan for Midway Atoll. It includes a map of the Pacific Ocean with a red dot indicating the location of Midway Atoll. A detailed map of the atoll shows various zones: a red zone (likely the airport), a green zone (likely the lagoon), and a blue zone (likely the beach). A legend identifies the zones: "Red Zone" (Airport), "Green Zone" (Lagoon), and "Blue Zone" (Beach). A scale bar indicates distances in miles (0 to 10) and kilometers (0 to 16). A north arrow is also present.
